JANUARY 2025: NEW THINGS!

FROM THE FATHER'S HEART FOLLOW DIVINE PROCESS TO BECOME

Dearly Beloved,

Follow divine process. The word process is a series of actions or events that are part of a system or a continuing development or a series of actions that are done to achieve a particular result. I want you to understand that God is a God of process and there is divine due process in the Kingdom. There are Kingdom protocols and processes that you must understand and follow.

There is a divine process drawn out by God for you to follow and align with in order for you to become all that God has ordained for you. Don't bypass process. Jesus Himself had to go through the process of being born of a woman, growing up as a child into adulthood under a father who trained Him. He went through the baptism of John, telling John that "Permit it to

be so now, for thus it is fitting for us to fulfill all righteousness (Mat. 3:15)."

No one becomes anything by chance; there is a process that must be fulfilled. If you will turn out bad or good, you must go through a process. There is a divine process that God has drawn out in the Dream Centre such that if you come in, submit and yield to that process, you will become what God has planned for you. That process is what will make God's dream for your life to become a reality. If you start submitting to process today, it will not be long before you become what God wants you to become.

There is a process to become a steward in church; there is process to joining different units and committee in church; there is a

“God is a God of process and there is divine due process in the Kingdom.”

process to doing several social functions; marriage, naming ceremonies and other things. Do not form the habit of not going through the right process. God takes men through process and only those that have followed God's process will make it.

The devil will never follow process anywhere. When you see men neglecting and despising process, the devil is at work. Only those who yield to process move on to the next level. The Bible says of Ephraim, "Ephraim is joined to idols, Let him alone (Hos. 4:17); Ephraim has mixed himself among the peoples; Ephraim is a cake unturned (Hos. 7:8)". That means he did not go through process. Go through your divine process!

Till next week, go and win with Jesus.
God's Servant,
Rev. Olusola Areogun.

PROPHETIC, EFFECTIVE AND PRODUCTIVE (PEP) STUDIES

GOD AND MAN PARTNERSHIP IN DIVINE WORKING- 2

2. GOD WORKS FOR US- Psalms 78: 12-16, 24-29

In continuation of last week's study, as God is working in us, He will at the same time be working for us. The children of Israel experienced these workings of God. When God led them out of Egypt with a strong and mighty hand - which is symbolic of the new birth for a Christian in the New Testament- He took them through the wilderness to work in them. His intention was to use the wilderness experience to purge the spirit of Egypt from them so that when they get to the land of Canaan where He was taking them to, He can work with them in divine partnership. Throughout their journey in the wilderness, He was doing things for them. Look at how the Bible describes their journey in Psalms 78.

It is however important that I let you know that the fact that God is working for a man does not mean that such a man is pleasing to Him. 1 Cor. 10:1-10. Your utmost desire as a child of God should not be what God is doing for you but what God is doing in you because what God is doing in you is what will ultimately determine what God will do with you in

life and destiny. While you thank God and appreciate Him for what He is doing for you, you must not make it your focus or let it blind you to what God is working in you which is because of where God is taking you to. When you make what God is doing for you your focus, you will know the acts of the Lord without knowing His ways and it is certain that you will fall into the same crisis that the children of Israel fell into in the passage above.

When God is working for you but He is not working in you, you will not go far with Him. Somehow, your ways will become grieving to Him; you will always err in your heart not knowing the ways of the Lord. No matter who you are, you will not enter into the rest of the Lord, because with time, an evil ear of unbelief will develop in you which will make you to depart from the living God. (Hebrew 3: 1-12)

If there is anything you must develop as a Christian, you must develop a capacity to tolerate the workings of God in your life. It is the most difficult work that God can do in the life of a man. Most Christians enjoy God doing things for them, but very few have the capacity to tolerate divine working.

TESTIMONY

Praise the Lord, Sir! The work He began has been brought to completion, and our hearts are filled with joy today.

This journey began in November 2023, and now, we are singing a new song of victory. Though this isn't the official testimony, I couldn't hold back from sharing the good news as it unfolds.

Today, Our Son rang the “*Victory Bell,” marking the official end of his cancer treatments.

It's been all God! We are deeply grateful for your years of teaching on faith and the power of making rightful confessions—it has carried us through.

Though the journey was incredibly challenging, especially with the mandatory hospital stays and weekly visits, God has been faithful. From the diagnosis to three surgeries, seven rounds of chemotherapy, and five rounds of immunotherapy, the medical team kept saying his recovery was nothing short of remarkable—from stage 4 to not a trace of cancer!

Thank you so much, Sir and Ma, for your prayers, encouragement, and words of faith. We are overwhelmed with gratitude and joy. May God bless you abundantly!

E se gan ni, Sir ati Mummy.
